been found at the town of Evart, two-thirds of her strength.-[New Mich., and has been arrested, together with her brothers, for committing the crime as long ago as last November. Her name is Mrs. Nexins, and bern three weeks ago, says the London (England) Telegraph, a young during the summer was pastured with the Rexford. Having obstructed the track of the Evart and Occols road, they threw the engine into a ditch, fatally injuring the engineer. John Nevins, the fireman, Peter Ross, and a passenger, Charles Delude. The first two died in three hours, and the third in twenty-eight hours. Mrs. Nevins having been on very bad terms with her health and the passenger, the page, detecting a cer with the page, detecting the page, detecting the page, Nevins having been on very bad terms est he marry her. Then he would get his collar, dragged him out of the church life insured for some \$30,000; cut a hole in the ice on the lake; subborn hole in the ice on the lake; subborn would swear that they ers as the witnesses, who for a liberal sum would make oath as to his drowning. As the detective expressed some fear that they might lack the courage to commit perjury she told him, as a proof of their nerve, that they had put the log on the railway which had caused the supposed accident. He assumed to be satisfied. They were to journey to Muskegen to get married.
